NON-PRINT (WHITE) OUTSIDE SAFE ZONE

NON-PRINT (WHITE) OUTSIDE SAFE ZONE

DOORHANGER-PRE-PERF

4 X 9

INSTRUCTIONS

1. Make your page size the size of the template.
   This is a precut template and does not allow bleed.
   Non-print (white) outside the safe zone is mandatory.
2. Place the template on your page. Do not resize!
3. Place all print elements above the template.
   — Ensure all elements (text, borders[!], logos etc.) remain INSIDE the green "safe zone" line.
4. Delete/hide the template.
5. Save your work as PDF. Send us the PDF.

Done! :)

GREEN = SAFE ZONE
All non-bleed content must stay inside the safe zone. (0.30")

MAKE YOUR PAGE SIZE 4 × 9"
Use the entire template image at this size <<
